I am a neighbor and request this new subdivision have sidewalks and clearly marked car parking areas. I also think it would be very nice to have a pedestrian connection through to Renton Ave from 51st and/or an opening at kubota gardens along 51st ave south.

I have lived at the end of Bond street at the horse farm my entire life, 45 years, so I know the neighborhood well.

Please accept my comments, as I believe this new sign was only posted last week.

Thank you,
